Resist the urge to don elasticated waistbands (there will be plenty of time for those this weekend!), and up your fashion game at the Thanksgiving table with looks to impress friends, the boyfriend's fam, and more.

### Class Act

Keep it simple for a casual Thanksgiving. A fitted black sweater and dark skinny jeans looks instantly chic when you add a lightweight scarf in autumnal hues. Finish the look with tan boots, a statement bracelet and simple earrings. Vince Camuto studs add edge to an otherwise classic ensemble.

## Dress to Impress

Make a lasting impression on future in-laws this Thanksgiving with an on-trend, yet understated outfit. Pair an embellished collared shirt, with a leather skirt and opaque tights for a chic, yet effortless look. Amp up your style with dark suede ankle boots, chunky wristwatch and a textured clutch.
